Bordor, he are specially property to or

the Republican caucus nomination. He is a glorious good Republican and first rate may

their flatometers. Degit their interests, we not only that, the direction from wheods it is coming, the direction of its accompanying whate, their following changes and their peckible force will all become known at once from an inspection of their wind charts. They have then but two ways to choose, if already on the lake, either to enter port, or to real the gale. If they choose the latter, they have the advantage of time to prepare and run

and cauly, if they are desirous of avoiding or mitigating their turillo effects.

The most destructive gales of the past season have given from four to six hours notice of their intensity by the velocity and amplitude of graph operations, would be very small in pro-pertion to the great saving of human life and properly, induced by the additional cautiousness of openmanders when personning a fore-knowl-

life on our lakes, which has heretofore been so bountifully offered at the shrine of avarice may passage of a storm with a favorable wind for entrance, only to meet the opposite gale and be driven back or wrecked. be made ions appalling by the adoption of all the means that knowledge is heir to, at whatever cost, to miligate or avoid the colamities of past seasons. Let shere he system and intelligence bringht to the aid of navigation, that the first

leady sawrificed, and your floating man baried beyond the reach of human bands. G. D. Husco his vessel in the best position to weather th G. D. Hascox.

Bev. Janie N. Grasone, D. D., Pastor
of the First Baptist Church in Providence, E.
L. died in that city on 5th inst., in the 432 year me of any gation on our anomalous lakes.

Meretofore there has been no systematic lassification of the peculiarilies of the sorms of our lake region, nor any attempt to arrange rom observed facts, any system of navigation

to the Church in Providence, in the charge which he died. It was the church where i rests of our vestly increasing lake comm

ally is which he lived, and he was much bloved by his own church and denomination. wes in the same direction that the storm is

The question of United States Senator from the Philadelphi desorts). The question of United States Senator fracting a large share of public sitest and out of the Legislature. The Den are working asafonously to secure the

thought he will be able to secure.

The New Yong Tetures and runs Marce Liquot Law.—Gov. King adheres to the acloud of Regulation with regard to the trails in IntoTecating liquors, as was well known before and at the time of his election. He consistently arges the Legislature to pass an effective and controlling License law. We, having no faith whatever in the License system, grift that the Governor's views may be noted upon. Let the License man have the best system of Regulation that they know how to frame, and concede to the Prohibitionists the initiation of a change in the Constitution which will place the power of intere Legislatures to prohibit the Traffic, should they see at, keyond contingency or early. The day of Prohibition must come again, but it has into come yet, and it were not wise to archesisten.

PENALTY OF HOSTIGALITY TO ME CURREN-The following notice from the Blair Cocinty, (Ps.) Why is more interesting than as first right especiary.

Post Office Appointment. John Truxel has been appointed Postmaner as Orespon, Ps., in place of Dr. R. M. S. dankon.

Dr. Tackron, who is that displaced, is the physician will whom if Summer sayed during, the month of August on the Allegheny moun-tains. Thus early we called to pay the pen-alty of his hospitality.
